Dear United North Elementary Faculty and Staff:

Thank you for being a valued part of our community and making a difference in the lives of our students. Given that your work is so vital to our community, the Alexis Community Fund Advisory Board is excited to announce a mini grant opportunity for United North Elementary teachers.

We invite you to apply for a grant of up to \$250 toward any project that will benefit the Alexis community. This could include, but is not limited to, a project about the history of Alexis, a mural, or a project beautifying the village. Such a project enables students to have a lasting impact on their community -- something they can proudly point to as theirs. Projects should take place during the 2023-2024 school year.

The application is below. For further information, you may contact Sue Caslin at 309-337-7471 or via her school email account. Grants are due by March 10, 2023.

This will be a permanent annual endowment of grants. If you don't apply for a grant in 2023, you can apply in the coming years.

Kind regards,

Alexis Community Fund Advisory Board:

Moses Anderson      Terry Bailey      Sue Caslin      John Elder      John Tucker      Tim Van Fleet
